Third Party Authorization (to discuss IFS-serviced Account)

Effective June 30, 2001, to ensure that IFS is compliant with the Gramm-Leach-Bliley Financial Services Modernization Act ("Act"), and except as otherwise permitted under the Act, we will only discuss account information with parties who are contractually obligated on your account.

To authorize a third party to discuss or handle matters on your account for you, we request that you provide a written authorization. Please take this opportunity to list the party that you grant permission to discuss the account on your behalf including the nature of your authorization and the duration. Your authorization will permit this party to make inquiries on your behalf or handle other aspects of your account with IFS as indicated by you.

Dallas, TX 75266-0695

By signing this authorization, you agree to hold IFS, its affiliates, officers, employees, and agents harmless of any liabilities caused by the individual to whom you have granted authorization.

As always, we are committed to protecting private customer information and will continue to do our utmost to ensure that the privacy of your account information is consistent with legal requirements and our Privacy Notice. If we suspect fraud or other irregularities on an account, we may be unable to honor an authorization.
